

## Top Rating of Freudenberg Group

Vibracoustic is a member of the Freudenberg Group. In spite of the financial crisis and the global economic recession, Freudenberg has maintained the financial "A 3 Rating" also in the beginning of the year 2009.

This was due to the Group's diversified products and business portfolio and its leading position on specialized business markets including stable cash flow and yield.

## Auto Shanghai 2009

Vibracoustic will participate this year with an attractive booth of approx. 150m<sup>2</sup>, on the Auto Shanghai 2009 Show in China from the 20<sup>th</sup> till the 28<sup>th</sup> of April. The total Vibracoustic product portfolio like

passenger car airsprings, bushings etc. will be presented along with our high quality Commercial Vehicle Aircruise airsprings for bus & coach, truck and trailer and driver seat applications.

## New OE acquisition - SOLARIS

Vibracoustic has been nominated by the company SOLARIS as exclusive airspring supplier for all their buses and coaches. This successful business

acquisition is based on an intensive R&D activity and high quality level of Vibracoustic Aircruise airsprings.

## New IAM partner in The Netherlands

According to Vibracoustic policy, we are developing our after-market network worldwide. Vibracoustic IAM partners specialised in the CV airspring business are having the same

business attitude regarding quality, premium brands and long term orientation. We welcome our new distributor partner in Holland the company Wijlhuizen!

## Salon Le Rendez-Vous à Paris Group Auto Union France

This event was organised in Paris end of 2008 by our French CV airspring distributor Group Auto Union France with the participation of 500 suppliers, over 600 local distributors and 800 top garage representatives. It was a rhythmical day only for specialists.

The Vibracoustic CV Aircruise airsprings have been presented by Group Auto and also in the Vibracoustic stand. We are sure that this event will contribute to further success of ours on the French after-market.

## OEM airsprings for GIGANT IAM application

Based on our agreement with the company Trenkamp & Gehle, Vibracoustic is offering the total Gigant airspring range for Gigant suspensions. The airsprings are supplied both with

Vibracoustic and Gigant logo to our IAM partners. This package means additionally about 13 different new airsprings in our range. Please contact us for further information.
